Year End Circular 2017-18

March 13, 2018

Dear Parents,

Greetings! "The year's end is neither an end nor a beginning, but an on-going, with all the wisdom that experience can instill in us. And in the end, it's not years in one's life that count, its life in the years".

We are pleased to share that the school year guided by the thrust of the 'Year of Zayed' commenced with various activities. The 'Colours of the world' mega event that provided opportunity for nearly all students to showcase their talents and skills left an indelible mark on each visitor. Another milestone of the year was 'Year Of Zayed Interschool Competition' participated by six neighboring schools where students presented masterpieces using their research and presentation skills and enthralled all including the ADEK officials present on this occasion. The field trips to **IMG World and Motion Gate** were memorable. The **Career Fair, Sports Events, Math, Science and Cyber Olympiads** and various other competitions held throughout the course of the year provided excellent exposure. Our students also participated in **Program Your Idea, Shastra Pratibha, PM Foundation, Zee Voice Competition, and Robotics Inter School Competition** and won several prizes.

With hearts filled with gratitude to each one of you dear parents for your whole hearted cooperation and partnership with AJI to produce optimistic, independent, compassionate, life-long learners and leaders of our society, we now look ahead to the new Academic Year 2018-19 with renewed enthusiasm and greater commitment. The school teaching faculty, non-teaching staff and heads of various capacities were indeed a powerhouse that illuminated the ambience with their leadership, networking, enthusiasm, hard work and unique competence. Their contribution is sincerely appreciated.

We look forward to work hand in hand to fashion our students into protagonists of social transformation and builders of a new and prosperous nation by enabling them to adapt to the 21st century skills.
