Dear Valued Parent,

“Every good act is charity. A true man’s wealth therefore is the good that he does in this world to his fellows.

We, at Al Ain Juniors School believe that exposing our students to acts of charity enables them to see how others live and develop empathy towards others.

In cooperation with Environment Friends and Society, the school has placed a container box outside of the school for collection of used clothes, blankets, bedsheets, towels and shoes. This initiative goes with the vision of Al Ain Juniors School to reach out to those who are in need. We believe that through this act of charity, our students will realized how blessed they are and will become a healthier, stronger and socially committed individuals who will make a change in the society.

The collected goods from the container will belong and is property of the school and the society and will be distributed to certain charities across the UAE. Everyone is welcome to drop whatever they want to donate anytime in the school.

We thank your support in this matter and your abundant generosity.

Thank you!
