Every child is a
different kind of flower,
and all together,
they make this world
a beautiful garden.

From the desk of the Vice - Principal

Welcome to the 2018-2019 school year at Alain Juniors School! There is nothing more energizing than the smiles and sounds of children in school. We want school to be the best part of your child's day and a place where children feel happy and engaged, and where parents feel welcome and involved. We are very proud of our students and staff! We are anticipating another great year with high expectations for all! I will be in classrooms and around the school, so please feel free to introduce yourself. I look forward to collaborating with this great community as we work together to make sure every student has a great year here! As we move on, it is very important to know that we can do it because you want your children to succeed just as much as we do here at Alain Juniors! I look forward to seeing your beautiful babies growing and achieving at high rates!

Reading:-It is hard to believe that we have already been in school for over 7 weeks! Our students have come in ready to learn and we have settled into the daily routines. Please remember that you play a vital role in your child's success at school. You can help by asking your child about his/her day, having a positive attitude about learning, and reading to or with your child every night. You would be amazed what 20 minutes of reading with your child each night will do for his/her language development and reading skills. Thank you for all your support at home!

If your actions inspire others to dream more, learn more, do more and become more, you are a leader.”

INVESTITURE CEREMONY

The official ceremony of conferring titles and investing powers, to the members of the school council was organized at the

Investiture Ceremony at Al Ain Juniors Indian System on 13th May 2018.

The Chief Guest of the day was Mr. Zahid Sarosh, CEO , the AJ Group of Schools.

The morning of 13th May 2018 brought with it a lot of celebration and excitement for the AJ family. The newly elected members of Al Ain Juniors Indian System (Primary) were vested with their badges of honour. Each leader stood tall and proud, prepared to shoulder the responsibilities with vigour, zest and new found passion.

The school council members were conferred upon with sashes and badges by the Chief Guest Mr. Zahid Sarosh, Mr. Mohammed Gaffar, Vice –Principal, AJI Secondary, Ms. Humera Sharief, Vice –Principal, AJI Primary, Mr. Ummer Farooq, Personal Development Officer, Ms. Judith Finnemore, Education Consultant, Focal Point Management Consultancy and the proud parents.

INVESTITURE CEREMONY REPORT CONTINUED.....

The Vice Principal of AJI Secondary, Mr. Mohammed Gaffar, administered an oath to the members of the council and they pledged to adhere to the values and principles upheld by the School.

The Head Boy, Mohammed Usman, and the Head Girl, Gauri Nanda Salu vowed to guide and serve the student council to the best of their abilities and support the fresh and young frontrunners till the finish line.

The Investiture ceremony signifies the reliance and confidence that the school consigns in the newly invested office bearers. Donning the mantle of accountability, they also pledge to bestow their duties to the best of their abilities. We believe that the child centric approach will frame a responsible citizen.

EAT RIGHT GET ACTIVE

It's never too early or too late to work towards being the healthiest you!!!!

Being Healthy Is as Simple as...

A Always Active

- Be active, all day
- Play or walk outside
- Walk around the house
- Enjoy a sport!

B Beverage Better

- Drink plenty of water every day
- Limit sugary beverages like soda, sports drinks and punch

C Choose Calorie-Wise

- Cut back on fat and sugar
- Make your grains whole
- Eat more fruits and veggies
- Choose lean protein
- Fear white salt

Eating right is important to staying at a healthy weight and keeping an energy balance, the balance between the calories in what you eat and drink, and calories you burn when moving. Eating healthy, being active, and feeling good about you, are the key ingredients to having a healthy lifestyle.

EAT HEALTHY, STAY HEALTHY

As part of our continuous efforts to spread awareness about the benefits of eating right, we celebrated the “Eat Right and Get Active Week” from 13th May to 17th May.

Our objective was to encourage all students to follow healthy eating habits and to enjoy fresh fruits and vegetables everyday for better health, taste and variety.

Students from Grades 1-6 conducted a special assembly demonstrating the importance of incorporating healthy food habits into their everyday life.

The primary objective of the assembly was to foster behavioural change among students towards a healthy diet and the need to be physically active by giving them awareness about food groups and calories.

FRUIT SALAD DAY

During the special week of EAT RIGHT GET ACTIVE, fruit salad day was celebrated with the participation of all students to raise their awareness regarding the benefits of including fruits in their daily diet.

The children brought variety of fruits for the preparation of fruit salad. Children enjoyed the day by actively participating under the guidance of the teacher, and, learnt and understood the importance of eating fruits. It was a joyful and fruitful day.

Ramadan is regarded as the holiest month of the year for Muslims as it was the month in which the Quran was revealed to Prophet Mohammad (PBUH) on the night of Laylat Al Qadr, one of the last ten nights of Ramadan.

Ramadan is the dearest guest to our hearts that comes once in a year with a lot of blessings, mercies, favors, bounties and manifold rewards.

A Special Assembly to Welcome Ramadan

Students of Grades 1-6 conducted an assembly to welcome the Holy Month of Ramadan on 14th May 2018. The main objective of the assembly was to show and explain the wisdom of fasting, a good attitude towards everyone, etc during this blessed month.

The assembly helped the students to get a better understanding of Ramadan and how this month could be beneficial to them.

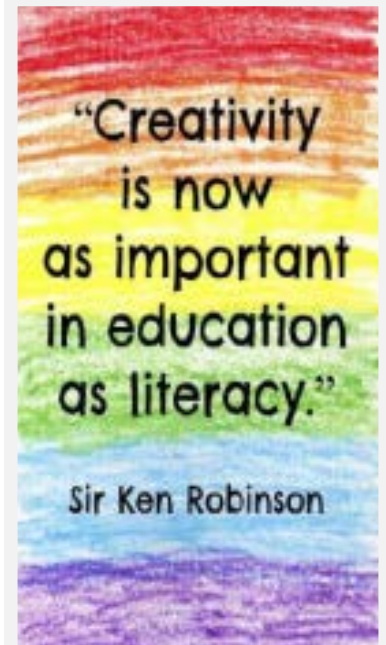

Creative Classrooms

“Part of education is learning. And what drives learning is curiosity and collaboration”

A good classroom environment always has some elements of creativity which makes the lessons more interesting and interactive. The right mix of creativity along with curriculum helps students to be innovative and also encourages them to learn new things. Students can grow up as good communicators in addition to improving their emotional and social skills. Creative classrooms can really transform the way students acquire education and how they apply it in their real life. In fact, creative expression plays a key role in a student’s emotional development.

Creative expression is important for a kid to trigger up their emotional development.

Thursday Activities

Co-curricular activities enhance and build on children’s experiences and learning within the school. The activities will contribute to their intellectual, social, cultural and emotional growth.

They will cater to a wide variety of needs and cultures

within the school community and will be used to forge links with the wider community. Our aim is that all students to get involved in different activities according to their interests. To foster this, we encourage the participation of each and

every child during the activity periods.

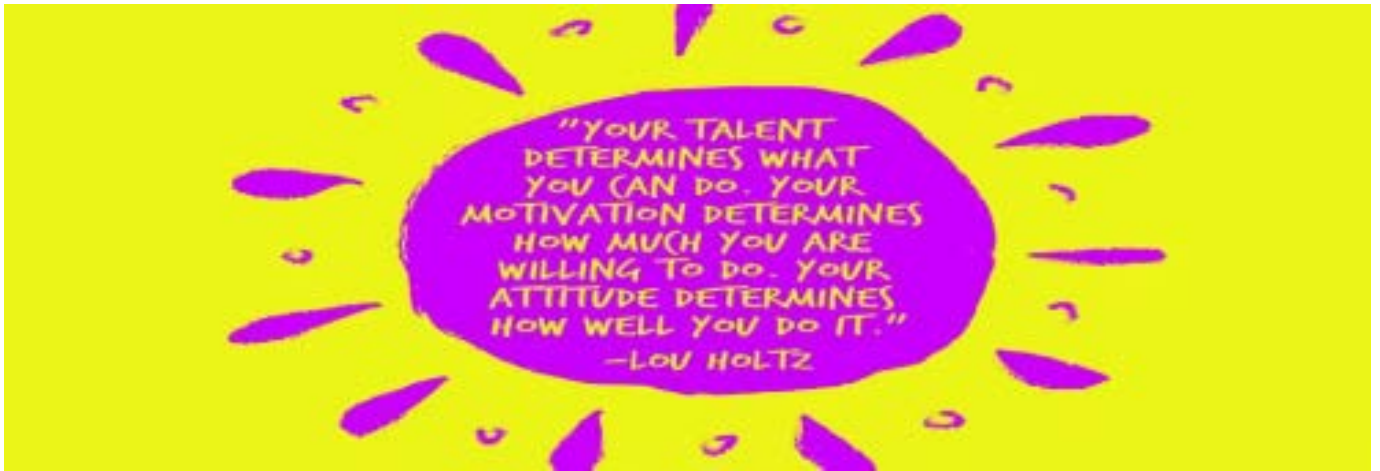

A plethora of exciting activities were held during such periods to ensure that they are getting the opportunity to bring forward their own ideas and to develop as an individual with a range of interests that may go beyond the school years.

“CREATIVITY is more than just being different... Making the SIMPLE, awesomely simple, that’s CREATIVITY.,,”

- Charles Mingus

Young Artists of AJ Primary

"Use what talent you possess: the woods would be very silent if no birds sang except those that sang the best."

Awards & Accolades

Congratulations to the little champs!!!!

The year 2018 started with a bang and our little stars bagged trophies and medals from various external competitions.
