*“Obstacles don’t have to stop you. If you run into a wall, don’t turn around and give up. Figure out how to climb it, go through it, or work around it.” –*

*Michael Jordan*

*“Failure is acceptable. but not trying is a whole different ball park.” – Michael Jordan*

## AJI Sports Day 2019-20

“All work and no play makes Jack a dull boy”. Indeed, sports and games play a vital role in building up the character of a child; Involving and participating in different types of sports can invoke values like sportsmanship, equality, discipline and perseverance. Our school, Al Ain Juniors School, has made concerted efforts to promote a healthy and balanced lifestyle among students, . Al Ain Junior’s 30th Annual Sports Meet was held at the Al Ain Club for People of Determination.

The day started off by invoking the blessings of God, with the recitation verses from Quraan and school prayer. This was followed by an extravagant display of precision and discipline, showcased by the students, led by the student councils of both the Indian and British Systems.

After the initial speeches given by the dignitaries who highlighted the importance of exercise, the event was officially declared open by the Chief Executive Officer, Mr.Zahid Sarosh, and the a faculty member of the club.

The torch lighting ceremony was magnificently carried out by the young athletes of the school, instilling a sense of pride in all of those who witnessed it. This set into motion the sports events planned for the day which started off right after the march past was dispersed.

For the next few hours, the pavilions were filled with cheering students and the tracks were graced by talented athletes of all ages. House captains rooted for their representatives from the side-lines. It was truly a pleasure to watch the participants being awarded for

their passion. Each house chanted their slogans when someone from them won.

The group dispersed reminding each one of us, of the necessity of healthy competition and exercise in our daily life. Sports is truly a quintessential towards a happier and meaningful life.

***The 5 S of Sports are : Stamina, Speed, Strength, Skill and Spirit. But the greatest of these is Spirit.***

# Al Ain Juniors School's student Aliya Burhanwins spell bee at intercontinental level

Aaliya Burhan won 1<sup>st</sup> place in the Spell Bee Competition held at Intercontinental Hotel on 27<sup>th</sup> September, 2019. She received a trophy along with a cash prize of 1000 dirhams.

“Participating in various competitions gives me self-confidence and helps me to improve different skills and find out my hidden talents.” remarks Aaliya on receiving the award

## *Assemblies in the month of October*

### **Greening The Blue - 7B**

The students of grade 7B presented the class assembly on the occasion of UN Day, the theme for this year's UN day was 'GREENING THE BLUE'.

The assembly included a Poem recitation, a Dance drama, and an igniting speech to create awareness on the immediate need to start to REDUCE, REUSE and RECYCLE. Beautiful badges were distributed to the teachers and a pledge was administered to take an oath to protect our Mother Earth.

# 8B Assembly - Happiness

The students of 8 B hoisted an assembly on the theme "HAPPINESS"

..The assembly started with the Arabic and English prayer followed by the thought for the day-"Every day we have plenty of opportunities to get angry, stressed or offended. But what you are doing when

you indulge in these negative emotions is giving something outside yourself – the power over your happiness. You can choose to not let little things upset you. We Generate Fears While We Sit. We overcome them by Action.". The thought was then followed by the National and

Inter-national news. A vibrant skit show was presented that clearly exposed the necessity of being happy and to unfurl happiness. It highlighted the message "Never be gloomy in your life, discover happiness in compact items. No matter what, remain happy and attempt to unfurl it amid your companions.

# MATH MONTH

October was observed as Maths month at AJI Secondary. There was a lot of enthusiasm among the students and teachers. During this period, a lot of activities both indoor and outdoor were taken up giving the hands- on experience to

the students. The highlight of the month was cross curricular activities in which the students have researched and found the importance of Maths in all other subjects. They linked Maths with other subjects and came out with charts and

other demonstrations. Students and teachers of AJB visited and appreciated the exhibits. A Math assembly was conducted in which Maths skills were exhibited through dance and humor.
