

**NAME OF THE DEPARTMENT - SOCIAL STUDIES (GEOGRAPHY)- SYLLABUS BREAK UP 2021-22 -AJI**

Name of the Subject Teacher:- Mrs.Latha James

Grade:- 10

MO	NT	H	WE	EEK	Unit/Section	No of	Topic Break Down / for Periods/Learning	Learning Outcomes/ Skills acquired	Activities (Formative)	Teaching Aids / Reference/	Competencies and Values	MY IDENTITY	Cross curricular link	Art Integration	Artificial Intelligence	Critical Thinking
APRIL					Resources and their Development		<ul style="list-style-type: none"> <li>Definition of Resource</li> <li>Significance and Importance of Resources</li> </ul>	<ul style="list-style-type: none"> <li>To define Resources</li> <li>To recognize the value of resources .</li> </ul>	<ul style="list-style-type: none"> <li>Group Activity ROLE PLAY ON DIFFERENT NATURAL RESOURCES, exhibiting its importance/where it's availableand</li> </ul>	PPT/VIDEO/ WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1</a>	<ul style="list-style-type: none"> <li>Creativity</li> <li>Teamwork</li> <li>Problem solving</li> <li>Environmental Awareness</li> <li>CARE &amp;RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>To identify and discuss the important resources inUAE.<a href="https://fanack.com/unity-arab-emirates/geography/">https://fanack.com/unity-arab-emirates/geography/</a></li> </ul>	<a href="#">Chemidtry/English/Langu</a> <a href="#">ages/Biology</a>	Visual Arts 4.1.1. Two-dimensional or Pictorial Activities POSTER MAKING - Creative use of colours to show ,RESOURCES AND ENVIRONMEN in subjective moods		Do you think that resources are free gifts of Nature as assumed by many people?
					Resources and their Development		<ul style="list-style-type: none"> <li>Types of Resources</li> </ul>	<ul style="list-style-type: none"> <li>To identify resources</li> <li>To classify Resources on Various Basis</li> </ul>	To constuct a flow chart on the classification of resources on various basis.	PPT/VIDEO/ WEBLINK : <a href="https://www.learnbase.in/ncert-solutions-for-class-10/">https://www.learnbase.in/ncert-solutions-for-class-10/</a>	<ul style="list-style-type: none"> <li>Creativity</li> <li>Teamwork</li> <li>Problem solving</li> <li>Environmental Awareness</li> <li>CARE &amp;RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>To identify and discuss the important resources inUAE.<a href="https://fanack.com/unity-arab-emirates/geography/">https://fanack.com/unity-arab-emirates/geography/</a></li> </ul>	<a href="#">Chemidtry/English/Langu</a> <a href="#">ages/Biology</a>		Classify Resources on the BAsis of Status of Development.	
					Resources and their Development		<ul style="list-style-type: none"> <li>Need for resource planning</li> </ul>	<ul style="list-style-type: none"> <li>To discuss land use planning in India</li> <li>To develop awareness towards judicious use of Reources.</li> </ul>	Group Discussion on the various stages of Resource Planning	PPT/VIDEO/ WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1</a>	<ul style="list-style-type: none"> <li>Creativity</li> <li>Teamwork</li> <li>Problem solving</li> <li>Environmental Awareness</li> <li>CARE &amp;RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>To identify and discuss the important resources inUAE.<a href="https://fanack.com/unity-arab-emirates/geography/">https://fanack.com/unity-arab-emirates/geography/</a></li> </ul>	<a href="#">Chemidtry/English/Langu</a> <a href="#">ages/Biology</a>		Why is Resource Planning very important in India?	
					Resources and their Development		Conservation of Resources	<ul style="list-style-type: none"> <li>To develop awareness towards judicious use and conservation of resources</li> </ul>	<ul style="list-style-type: none"> <li>Group Activity ROLE PLAY ON RESOURCES, exhibiting its importance and need for Conservation</li> </ul>	PPT/VIDEO/ WEBLINK : <a href="https://www.learnbase.in/ncert-solutions-for-class-10/">https://www.learnbase.in/ncert-solutions-for-class-10/</a>	<ul style="list-style-type: none"> <li>Creativity</li> <li>Teamwork</li> <li>Problem solving</li> <li>Environmental Awareness</li> <li>CARE &amp;RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>To analyse the landuse pattern in UAE.<a href="https://www.indexmundi.com/unity-arab-emirates/land_use.html">https://www.indexmundi.com/unity-arab-emirates/land_use.html</a></li> </ul>		Visual Arts 4.1.1. Two-dimensional or Pictorial Activities POSTER MAKING - Creative use of colours to show ,RESOURCES AND ENVIRONMEN in subjective moods		"Indiscriminate use of Resources has led to many problems".Justify this statement
					Resources and their Development land and soil –		<ul style="list-style-type: none"> <li>Land as resource.Landuse pattern of India</li> </ul>	<ul style="list-style-type: none"> <li>To analyse the various land use patterns and the causes for land degradation</li> </ul>	<ul style="list-style-type: none"> <li>Discuss the various satisfactory and unsatisfactory land use features of India.</li> </ul>	PPT/VIDEO/ WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1</a>	<ul style="list-style-type: none"> <li>Teamwork</li> <li>Problem solving</li> <li>Environmental Awareness</li> <li>CARE &amp;RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>To analyse the landuse pattern in UAE.<a href="https://www.indexmundi.com/unity-arab-emirates/land_use.html">https://www.indexmundi.com/unity-arab-emirates/land_use.html</a></li> </ul>	<a href="#">Chemidtry/English/Langu</a> <a href="#">ages/Biology</a>		Some of the NE states like AP and Mizoram have low density of Net sown area.Why?	
MAY				Resources and their Development land and soil –		<ul style="list-style-type: none"> <li>Land degradation</li> <li>Land conservation measures</li> </ul>	<ul style="list-style-type: none"> <li>To analyse the various land use patterns and the causes for land degradation</li> <li>To develop awareness towards judicious use and conservation methods of land</li> </ul>	<ul style="list-style-type: none"> <li>Discuss the causes of land degradation.</li> </ul>	PPT/VIDEO/ WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1</a>	<ul style="list-style-type: none"> <li>Creativity</li> <li>Teamwork</li> <li>Problem solving</li> <li>Environmental Awareness</li> <li>CARE &amp;RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>To analyze the landuse pattern of UAE,UAE.<a href="https://www.indexmundi.com/unity-arab-emirates/land_use.html">https://www.indexmundi.com/unity-arab-emirates/land_use.html</a></li> </ul>	<a href="#">Chemidtry/English/Langu</a> <a href="#">ages/Biology</a>		Why is Soil called a living system?		
				Resources and their Development land and soil –		<ul style="list-style-type: none"> <li>Soil – Types of soil its characteristic feature and distribution in India.</li> </ul>	<ul style="list-style-type: none"> <li>To identify various soil types and the distribution in India</li> <li>To Discuss the characteristic features of different soils in India</li> </ul>	GROUP ACTIVITY- Power point presentation on Types of soils, its characteristic features ,its distribution in India and its conservation..	PPT/VIDEO/ WEBLINK : <a href="https://www.learnbase.in/ncert-solutions-for-class-10/">https://www.learnbase.in/ncert-solutions-for-class-10/</a>	<ul style="list-style-type: none"> <li>Critical thinking</li> <li>Communication</li> <li>Global and environmental awareness</li> <li>CARE &amp;RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>Soil type in UAE<a href="https://gulfnnews.com/uae/environment/13-of-uae-soil-suitable-for-irrigated-farming-1.1114860">https://gulfnnews.com/uae/environment/13-of-uae-soil-suitable-for-irrigated-farming-1.1114860</a></li> </ul>	<a href="#">Chemidtry/English/Langu</a> <a href="#">ages/Biology</a>		what restricts the infiltration of water in arid soils?		
				Resources and their Development land and soil –		<ul style="list-style-type: none"> <li>Types of soil erosion</li> <li>Conservation of soil erosion</li> </ul>	<ul style="list-style-type: none"> <li>To develop awareness towards judicious use and conservation methods of soil-</li> </ul>	GROUP ACTIVITY- Power point presentation on Types of soils, its characteristic features ,its distribution in India and its conservation..	PPT/VIDEO/ WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1</a>	<ul style="list-style-type: none"> <li>Critical thinking</li> <li>Communication</li> <li>Global and environmental awareness</li> <li>CARE &amp;RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>Conservation Methods for land and soil in UAE.<a href="http://www.emiratesoilmuseum.org/uae-soil-map">http://www.emiratesoilmuseum.org/uae-soil-map</a></li> </ul>	<a href="#">Chemidtry/English/Langu</a> <a href="#">ages/Biology</a>		These types of soil is loamy and silty and coarse grained in the upper slopes.Which type of soil is referred to here?		

	Water Resource	Some important facts and significance of water Source-distribution and utilization	<ul style="list-style-type: none"> <li>To discuss the significance of water as resource.</li> </ul>	Quiz on Water facts and significance	PPT/VIDEO/WEBLINK : <a href="https://www.learnbase.in/ncert-solutions-for-class-10/">https://www.learnbase.in/ncert-solutions-for-class-10/</a>	<ul style="list-style-type: none"> <li>thinking</li> <li>• Communication</li> <li>• Global and environmental awareness</li> <li>• CARE &amp; RESPECT</li> <li>• Critical thinking</li> <li>• Communication</li> <li>• Global and environmental awareness</li> <li>• CARE</li> </ul>	<ul style="list-style-type: none"> <li>To identify the source of water in UAE .<a href="https://water.fanack.com/uae/water-use/">https://water.fanack.com/uae/water-use/</a></li> </ul>	<a href="#">Chemidtry/English/Languages/Biology</a>	Visual Arts 4.1.1. Two-dimensional or Pictorial Activities Collage and mosaic work with a variety of coloured papers and coloured printed	On the outline map of India ,Locate and Label the Mahanadi ,Ganga ,Narmada,Damodar rivers.
	Water Resource	<ul style="list-style-type: none"> <li>Water scarcity</li> </ul>	<ul style="list-style-type: none"> <li>To define and examine the reasons of water scarcity</li> </ul>	THINK-Pair and share-Reasons for water scarcity in India.	PPT/VIDEO/WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-</a>	<ul style="list-style-type: none"> <li>thinking</li> <li>• Communication</li> <li>• Global and environmental awareness</li> <li>• CARE &amp; RESPECT</li> </ul>	<ul style="list-style-type: none"> <li>To identify the source of water in UAE .<a href="https://water.fanack.com/uae/water-resources/">https://water.fanack.com/uae/water-resources/</a></li> </ul>	<a href="#">Chemidtry/English/Languages/Biology</a>		
JUNE	Water Resource	<ul style="list-style-type: none"> <li>Multipurpose projects</li> </ul>	To analyse and discuss the advantages and disadvantages of the various multipurpose project	Group Activity-A debate on "Dams are the best ways for utilization of river water" Or "Dams have	PPT/VIDEO/WEBLINK : <a href="https://www.learnbase.in/ncert-solutions-for-class-10/">https://www.learnbase.in/ncert-solutions-for-class-10/</a>	<ul style="list-style-type: none"> <li>thinking</li> <li>• Communication</li> <li>• Global and environmental awareness</li> <li>• CARE &amp; RESPECT</li> </ul>	Some measures taken in UAE to conserve water <a href="https://www.ecomana.org/water-management-uae/">https://www.ecomana.org/water-management-uae/</a>	<a href="#">Chemidtry/English/Languages/Biology</a>		
	Water Resource	<ul style="list-style-type: none"> <li>Need for conservation and management</li> <li>Rain water harvesting</li> </ul>	<ul style="list-style-type: none"> <li>To find out the rainwater harvesting techniques in India</li> <li>To develop awareness for conservation and management of water</li> </ul>	group discussion on some traditional Rain water harvesting in India.	PPT/VIDEO/WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-</a>	<ul style="list-style-type: none"> <li>thinking</li> <li>• Communication</li> <li>• Global and environmental awareness</li> <li>• CARE &amp; RESPECT</li> </ul>	Some measures taken in UAE to conserve water <a href="https://www.ecomana.org/water-management-uae/">https://www.ecomana.org/water-management-uae/</a>	<a href="#">Chemidtry/English/Languages/Biology</a>	Visual Arts 4.1.1. Two-dimensional or Pictorial Activities Collage and mosaic work with a variety of coloured papers and coloured printed	On the outline map of India ,Locate and Label the Hirakud,Salal,Bakra Nangal,Tehri,Ranapratapsagar ,Nagarjunasagar Dams.
	Agriculture	Types of Farming	<ul style="list-style-type: none"> <li>To identify various types of farming To discuss the various farming methods</li> </ul>	Group Discussion on the necessity of literacy among farmers	PPT/VIDEO/WEBLINK : <a href="https://www.learnbase.in/ncert-solutions-for-class-10/">https://www.learnbase.in/ncert-solutions-for-class-10/</a>	<ul style="list-style-type: none"> <li>• Problem solving</li> <li>• Communication</li> <li>• Self confidence</li> <li>• RESILIENCE</li> </ul>	Visit farm in Alain,talk to workers and write a report on the crops being grown,the process of planting,ploughing and harvesting along with irrigation method used.	<a href="#">Biology/Enlisl/Maths</a>		Why is intensive subsistence agriculture prevalent in high populated area which cause enormous pressure on land?
	Agriculture	<ul style="list-style-type: none"> <li>Cropping pattern</li> <li>Technological and institutional reforms</li> </ul>	To analyze various cropping patterns and discuss the institutional and technological reforms	Quiz will be conducted on this part of the lesson	PPT/VIDEO/WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-</a>	<ul style="list-style-type: none"> <li>• Problem solving</li> <li>• Communication</li> <li>• Self confidence</li> <li>• RESILIENCE</li> </ul>	Visit farm in Alain,talk to workers and write a report on the crops being grown,the process of planting,ploughing and harvesting along with irrigation method used.	<a href="#">Biology/Enlisl/Maths</a>		Give an example of crop grown as Kharif and rabi crop respectively.
July										
August										
September	Agriculture	<ul style="list-style-type: none"> <li>Major crops and the geographical conditions for the growth.</li> </ul>	<ul style="list-style-type: none"> <li>To describe the geographical conditions of major crops</li> </ul>	Mind Mapping To create a table of various food, fibre, beverage and cash crops and write their geographical conditions	WEBLINK : <a href="https://www.learnbase.in/ncert-solutions-for-class-10/">https://www.learnbase.in/ncert-solutions-for-class-10/</a>	<ul style="list-style-type: none"> <li>• Problem solving</li> <li>• Communication</li> <li>• Self confidence</li> <li>• RESILIENCE</li> </ul>	To discuss some of the agricultural practices and major crops grown in UAE	<a href="#">Biology/Enlisl/Maths</a>		Give an account of rice/cotton/sugarcane/tea under following headings :Temp,rainfall,irrigation soil requirement.and two major producing areas in India.
	Agriculture	<ul style="list-style-type: none"> <li>Their impact and Contribution of Agri. to national economy-employment and output</li> <li>Challenges faced by Indian farmers.</li> </ul>	To Discuss the Contribution of Agriculture to our Economy and the various challenges faced by our farmers.	Group Activity-To discuss why the agricultural growth rate is decelerating even though India is an agrarian economy?	PPT/VIDEO/WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-material-1470739888-1</a>	<ul style="list-style-type: none"> <li>• Problem solving</li> <li>• Communication</li> <li>• Self confidence</li> <li>• RESILIENCE</li> </ul>	To discuss some of the agricultural practices and major crops grown in UAE	<a href="#">Biology/Enlisl/Maths</a>		Enumerate the contribution of Agriculture to our National economy,employment and output.
	Mineral and Energy	<ul style="list-style-type: none"> <li>Types of minerals</li> </ul>	<ul style="list-style-type: none"> <li>To discuss the</li> </ul>			PPT/VIDEO/	<ul style="list-style-type: none"> <li>• Digital competence</li> </ul>	To Research some of	<a href="#">Chemistry/Physics/Enlisl</a>	
October	Mineral and Energy Resources	<ul style="list-style-type: none"> <li>Their use and distribution and economic importance conservation</li> </ul>	<ul style="list-style-type: none"> <li>To identify and locate and label the uneven distribution of non metallic minerals.</li> </ul>	Map Activity-To locate and Label the major metallic and non metallic minerals in India	PPT/VIDEO/WEBLINK : <a href="https://www.learnbase.in/ncert-solutions-for-class-10/">https://www.learnbase.in/ncert-solutions-for-class-10/</a>	<ul style="list-style-type: none"> <li>• Digital competence</li> <li>• Creativity</li> <li>• Communication</li> <li>• Self-motivation</li> <li>• HONESTY</li> </ul>	To Research some of the non conventional sources of energy developed in UAE. And include it in the PPT.	<a href="#">Chemistry/Physics/Enlisl/Maths</a>		On the outline map of India Locate and Label the a-iron ore fields in Odisha,chattisgarh,karnataka....the managanes in Madhya prdes,...oil fields in assam and maharastra.
	Mineral and Energy Resources	<ul style="list-style-type: none"> <li>Types of power resources-conventional and non-conventionalConservation</li> </ul>	<ul style="list-style-type: none"> <li>To discuss various types of conventional and non-conventional resources use</li> <li>To analyse their distribution and</li> </ul>	By researching the students will be able to : Present through PPT on the working ,uses,distribution of the various conventional and non conventional	PPT/VIDEO/WEBLINK : <a href="https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-">https://www.jagranjosh.com/general-knowledge/indian-geography-a-complete-study-</a>	<ul style="list-style-type: none"> <li>• Digital competence</li> <li>• Creativity</li> <li>• Communication</li> <li>• Self-motivation</li> <li>• HONESTY</li> </ul>	To Research some of the non conventional sources of energy developed in UAE. And include it in the PPT.	<a href="#">Chemistry/Physics/Enlisl</a>
