PLAYGROUND RULES

- At all times display common sense. You are sharing the area with many other people. Be considerate - your activity must not annoy or endanger the safety of yourself or others.
- Only play on the playground.
- Do not go beyond any school gates.
- Students should not play anywhere on the stage.
- Act sensibly at all times
- Use the lawn area judiciously
- At the end of the P.E. Period when the whistle blows twice, students must IMMEDIATELY stop and return the sport equipment they have. At the third whistle students walk QUIETLY to their classes in a single line.
- Unacceptable playground behaviour will be dealt with strictly. Initially, the duty P.E. teacher and student negotiate an acceptable solution.
- On recurring or serious misbehaviour the duty teacher informs the Class Teacher, Counsellor, Vice Principal and Academic Heads.
- A record of serious / unacceptable behaviour will be maintained in the incident record form with the counsellor.
- Appropriate corrective measures will be taken in compliance with the discipline policy of the school.
